

Biblical Authors Game

Directions for Game:

Print all the puzzle pages. Cut along the puzzle lines (this results in three pieces per page). Mix all the pieces for all 10 puzzles. Make one set for each team or group.

The goal of the game is for the Pathfinder(s) to match the appropriate Bible author, Bible books written, and Bible author's profession.

Options for play:

Team play (2-on-2 or guys vs. girls): Give each team a set of puzzle pieces. Use a timer to time which team finishes first, second, etc. All of the teams should finish their puzzles.

Individual play: Use a timer to time how long it takes for the Pathfinder(s) to complete their puzzles. Have them redo the puzzles after successfully completing the puzzles. They should improve their time the second time.

Club worship: Divide the club into equal sized teams. Then follow guidelines for Team play.

Once all ten puzzles have been completed, the Pathfinder(s) have succeeded!
